

# Hang Glider Bag Measurements

## Wing Data

Manufacture: \_\_\_\_\_

Model: \_\_\_\_\_

Size: \_\_\_\_\_

## Measurements (INCHES)

A > \_\_\_\_\_

B > \_\_\_\_\_

C > \_\_\_\_\_

D > \_\_\_\_\_

E > \_\_\_\_\_

NOTES: For weatherproof bags take measurements with the original bag on.

XC Bags - After measuring the length, measure the original bag for the width/circumference. Unzip, lay flat and measure from zipper to zipper.

There is no need to return this form. Send the measurements via email to: [info@flyahanglider.com](mailto:info@flyahanglider.com)
